OF THE
VALUABLE WATER POWER

HARPER'S FERRY, WEST VA.

Valuable manufacturing sites, including the ground whereon the Armory buildings, the Nushet and Rife Factories formerly operated by the Government of the United States, stood—with the unsurpassed Water Power, Canals and Dams connected therewith. The United States The Harper's Ferry Water Power and Manufacturing Company of West Virginia, Francis C. Adams et al. The United States In Chancery. Francis C. Adams et al.

The United States

Francis C. Adams, Clinton Lloyd, No. 2. Recent Decline in Coal. THE FOLLOWING WILL BE OUR PRICES,

the Shenandoah rivet, at Harper's Ferry, as held by the United States at the time of said saie in 1800, embracing the site of the rife factory, with all the appurtenances thereto belouging, designated as lot No. 2 on said map used at the saie of 1800.

Third—Two lots, situated in Harper's Ferry, in block A, on Shenandoah street, as laid down on map of said property, and said town of Harper, 8 Ferry, by direction of the War Department in 1832, being lots 2 and 5 of said property, in said block A, each fronting 30 feet on Shenandoah street, ranning through to the Shenandoah river, intersected by an alley 10 feet wide, at the railroad embankment.
These lots are situated near the intersection of the Shenandoah with the Potomac, near the business portion of said town, and are considered desirable and the said of the same and the said of the said of the same and the said of t

Shemandoah with the Potomac, near the business portion of said town, and are considered desirable and valuable.

TERMS OF SALE: Ten per cent, of the amount for which each of said lots sell will be required of the respective purchasers on the day of sale. For the residue of the purchaser money a credit of one and two years will be given, the purchaser executing bonds, in equal amounts, (with good personal security,) bearing interest from day of sale. A lien on the property sold will also be retained to secure the payment of the purchase money.

The above suits were instituted by the United States for the purpose of subjecting the property hereinbefore described to sale, and applying the proceeds of sale to the discharge of the bonds executed by defendants in said suits, at the sale of said property made by the United States in 1899.

Any additional information as to this property, its situation, condition and purposes for which it is adapted, will be furnished by the undersigned, who solicits correspondence on the subject.

Copies of sald may of sale, referred to above, together with additional description of said property and of the surrounding country, will be furnished on application. This property is considered among the most valuable in the country for manufacturing purposes on account of its remarkable water power.
